INFORMATION DISCLOSURE STATEMENT

In accordance with the Duty of Disclosure as set forth in 37 C.F.R. § 1.56, Applicants hereby submit the following information in conformance with 37 C.F.R. §§ 1.97 and 1.98. This Information Disclosure Statement is being submitted after the mailing date of the first office action on the merits but prior to the prosecution of the application closes, i.e., before the mailing of a final office action, a Notice of Allowance, or an *Ex parte* Quayle action, whichever is earlier. To assist the Examiner, the documents are listed on the attached Form PTO/SB/08A.

Submission of the fee as set forth in 37 C.F.R. § 1.17(p) in the amount of \$180.00 is made concurrently with the filing of this paper through the Office's EFS- Web System. Please charge any additional fees required or credit any overpayment to Deposit Account 50-0674.

Pursuant to 37 C.F.R. § 1.98(a)(2), a copy of each of the listed foreign patents and published foreign patent applications is enclosed.

It is respectfully requested that the foregoing be considered by the Examiner and that an Examiner-initialed copy of the attached Form PTO/SB/08A be returned to the undersigned.

CERTIFICATION UNDER 37 CFR 1.8(a)

I hereby certify that this Information Disclosure Statement and the documents referred to as attached therein are being transmitted to the United States Patent and Trademark Office, on this date September 8, 2008, via EFS-Web.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Respectfully submitted,

Date: September 8, 2008
